RIVER VALLEY RANCH MASTER ASSOCIATION (RVRMA) POLICY AND PROCEDURE FOR TRASH AND RECYCLING COLLECTION AT RIVER VALLEY RANCH

The River Valley Ranch Master Association (RVRMA) has a declaration of protective covenants, bylaws and rules and regulations. Article 9.9 of the Declaration (***Power to Adopt Master Rules and Regulations***) empowers the Board of Directors to adopt, amend, repeal and enforce such Master Rules and Regulations as the Executive Board may consider necessary, desirable, or appropriate with respect to the operation of the Master Association. The Executive Board deems it necessary to adopt a policy for the regulation of trash collection. Therefore the following policy and procedures will govern Trash Collection Practices at River Valley Ranch.

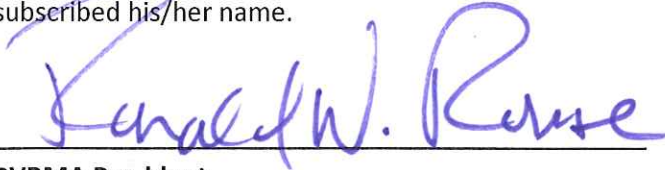

1. All trash and recycling collection within the RVR community will only be provided by a single-provider as contracted by the Master Association.
2. Trash and recycling collection will occur on only one designated day each week. The designated day may be adjusted as necessary to accommodate holidays.
3. Trash/recycling must be placed curbside on the designated collection day in the designated trash and recycling containers provided.
4. Trash/recycling may be put out **NOT EARLIER THAN 6:00am** on the designated trash collection day.
5. Trash/recycling containers must be removed from curbside and returned to a secured, enclosed location **NOT LATER THAN 8:00pm** on the designated trash collection day.
6. Trash must always be responsibly managed so as to minimize the potential of attracting wildlife.
7. Other practices as stated in the RVR Trash and Recycling Program must be observed.

Violators will be assessed a possible fine of \$25 per instance by the Executive Board of Directors for failure to comply with the RVR Trash Collection policy.

This policy and procedure may be amended from time to time by the Board of Directors.
