

Swim Instructor Bios

Hello, my name is Ruby (you may know my mom Barbara from the front desk) and this is my 6th summer with RVR! Besides being a lifeguard and teaching swim lessons, I have also been a nanny and love to work with kids. I prefer teaching private lessons, unless the kids are mostly similar in age / skill and are siblings! Kids ages 2 and above are my range of expertise, and I am mostly available mornings before 10am, and afternoons after 6pm. I like to make my lessons fun, yet focused! A little background about me is I attend the University of Southern California and am 20 years old, born and raised here in Carbondale! My email is ruby.fuller@rvrma.org and my number is 970-230-1413.

My name is Radhika. I am 19 years old and going into my sophomore year at the University of Tampa. This is currently my fourth year working as a lifeguard, but I started teaching swim lessons last summer. I would preferably like to teach children between the ages of 2-7. I do not wish to do semi-private lessons unless they are siblings and close in age. I am available to teach weekdays most likely in the mornings between 9-11am but possibly afternoons as well. My email is radhihika.16@gmail.com and my number is 970-379-5805.

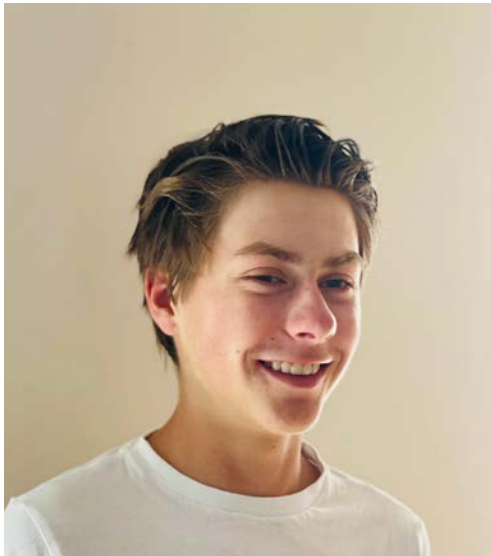

Hi, my name is Patrick Moravek, a little about me is I have grown up in the Roaring Fork Valley and I have worked at RVR as a lifeguard and in member services for 3 years. Additionally, I have taught swim lessons for the past 2 years! I graduated from Roaring Fork High School in 2021 and am currently attending University of Colorado Boulder and majoring in Business. I love working with kids and teaching the fundamentals of swimming so they can become efficient swimmers able to swim at any depth. My preferred age group is 4 and older and I only do private lessons! I will make the sessions fun and educational and ensure that each lesson your child is attending learns new skill sets in order to become a proficient swimmer! My email is patrickmoravek14@gmail.com and my number is 970-618-5984.

My name is George Soukup, I am 16 and it's my first summer as a lifeguard here at RVR, and I attend Colorado Rocky Mountain School. I have been a swimmer my whole life and have swum for the Sopris Barracudas swim team for five years. I would love to teach kids of all ages and abilities. Because of my background in swimming, I can also teach kids a variety of skills from their first time getting around the pool to more advanced techniques like the butterfly, back, breast and crawl strokes. I am also open to semi-private lessons. I am a resident here in RVR, so I am extremely flexible in my availability. Please reach out, I would love to hear from you! My email is george.soukup@crms.org and my number is 970-309-1236.

My name is Corbin Carpenter, and I will be a senior at Roaring Fork High School right here in Carbondale this coming year. I grew up in this very neighborhood and learned how to swim through these swim lessons. I remember looking forward to these swim lessons and taking the things I learned to ensure that I would be safe and have fun while being at the pool! I keep myself busy during the summer so I have limited availability, but I would love to help out by teaching swim lessons from time to time. I would also prefer to work with kids ages five and up. To minimize complexity, I would like to stay away from semi-private sessions. However, I am completely willing to work with siblings because I know that they will be able to work together well and don't have to overcome the barrier of being scared to work together. Although I may not have a bunch of experience teaching swim lessons, I have done lots of babysitting in the past, so I work well with kids. I am also trained as a shallow water lifeguard so you can ensure that I will be able to keep kids safe while having fun at the same time! My number is 970-989-3566 and my email is corbin.carpenter1010@gmail.com.

Hey! My name is Sofie and I'm a first-time lifeguard and swim lesson instructor at River Valley Ranch. I recently graduated from Our Lady of the Elms High School in Akron, Ohio, and plan to study marketing at Miami University this upcoming fall. I have several years of experience babysitting and a couple years of experience as a sailing camp counselor. I've swam competitively since I was a child and I'm excited for the opportunity to share my love of swimming with the newbies! I don't have a preferred age group and I'd be happy to teach both private and semi-private lessons. My email is sschneider@students.theelms.org and my number is 330-329-1258.

My name is Caleb, and I am going into 10th grade at Colorado Rocky Mountain School and it is my first summer as a lifeguard here at RVR. I swim competitively for Team Sopris and the Glenwood Springs High School Varsity team. I am a certified scuba diver and have completed dives at the Homestead Crater in Utah as well as in the British Virgin Islands. I have a younger brother and I hope to help younger kids enjoy swimming as much as I do. I am open to working with kids of all ages and open to semi-private lessons. My number is 720-724-3767 and my email is calebimhoff@icloud.com.
