

Town of Carbondale Parks & Recreation Department

Offers a training and information session on natural integrated weed management strategies at the Carbondale Nature Park on Friday, May 24th from 9 am to 12 noon.

Katrina Blair, and her team from Bee Happy Lands, a project of the Turtle Lake Refuge in Durango, will provide training to Town staff and interested members of the public on organic weed management practices on our B-list noxious weeds, Canada Thistle, Yellow Toadflax, and WhiteTop.

ORGANIC LAND STEWARDSHIP
CREATING VITAL ECOSYSTEMS FOR
GLOBAL HEALTH

Bee Happy Lands Practices:

Promotes vitality and health of ecosystem

Improves soil fertility

Increases land stability

Minimizes weed presence

Promotes pollinator health

Increases microbial presence in soil

Improves drought tolerance

Creates balanced and diverse plant community

Safe for pets, kids, bees, me and you
